

Appl. Ser. No. 10/769,156  
Amendment Dated November 22, 2005  
Reply to Office Action of September 28, 2005

**REMARKS/ARGUMENTS**

Responsive to the Office Action, Applicants submit herewith a Terminal Disclaimer and the requisite fee disclaiming any part of the term of a patent based on the instant application which would extend beyond the term of U.S. Patent No. 6,722,416.

Claim 1 has also been amended to overcome the objection with respect to the recitation of "at least said windlock members".

The amendments to Claim 1 and the filing of the Terminal Disclaimer are believed to place this application in condition for allowance and an early Notice of Allowance of Claims 69 through 83 is respectfully solicited.

Respectfully submitted,

Date: 11/22/05
